PRESS BOX

Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box, to avoid climbing hills, should have cabs take them to Gate #23. This is located behind Pennsylvania Hall of the School of Medicine.

PRESS COMPLIMENTARIES

The University extends the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two to each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for \$1.00 per ticket must accompany all requests.

It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are \$5.00 for Army, \$4.00 for Michigan State, Penn State, Miami of Florida and West Virginia.

PHOTOGRAPHER'S PASSES

Sideline passes for photographers will be issued only to Pittsburgh papers and news services, and to the daily papers normally covering the opposing team. Others will be issued to the student publications of the two schools, but they will be limited by the number issued to those in the first mentioned category.

Photographers may work in front of the bench when the occasion demands, if they keep low, but

cutline writers must stay behind the line and obey instructions of the officer detailed to the area, who will lift the credentials of any breaking this rule.

Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space.

Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.

THE UNIVERSITY OF PITTSBURGH

The University of Pittsburgh had its beginning in a three-room log house in what is now downtown Pittsburgh two years before the Constitution of the United States was adopted. At the time of its founding it was known as Pittsburgh Academy.

The University is the oldest chartered North American institution of higher learning west of the Allegheny Mountains and north of the Ohio River.

In February of 1819 a second charter was issued, this time under the name of the Western University of Pennsylvania. By this charter the institution was given power to grant baccalaureate degrees. In 1908, with permission of the courts, the name of the school was changed to the University of Pittsburgh.

A legislative act in 1865 made the Allegheny Observatory a part of the University, and there Samuel P. Langley, distinguished for solar research and for early experiments in the science of aeronautics, James E. Keeler, discoverer of the moons of Saturn, and other prominent astrophysicists and astronomers have conducted research. The contributions of Langley, Keeler and others have made the Allegheny Observatory known all over the world.

Since 1892 several schools have been added to the older College and Engineering School, granting undergraduate and graduate degrees. In 1892 the School of Medicine was established; in 1895, the School of Law and School of Mines; in 1896, the Schools of Dentistry and Pharmacy; in 1910, the School of Economics, since 1923 known as the School of Business Administration; also in 1910, the School of Education; in 1912, the Graduate School; in 1907, the Summer Session and Evening School; in 1913, the Extension Division and Mellon Institute for research; in 1922, the School of Retailing and the Bureau of Retail Research; in 1926, the University Medical Center; in 1931, the Bureau of Business Research; also in 1931, Falk Elementary School, a progressive school for elementary educa-

tion; in 1938, the School of Social Sciences; in 1939, the School of Nursing; in 1944, Research in the Natural Sciences; and in 1948, the Graduate School of Public Health.

Construction on the world-famous Cathedral of Learning was begun in 1926. Architecturally the Cathedral is a modern adaptation of the Gothic tower. It contains nearly 100 classrooms and nearly 100 faculty and administrative offices, and more than 100 laboratories which are teaching and research units. It stands 42 stories and 535 feet high.

A feature of the Cathedral is its Nationality Rooms, planned and financed by the various major nationality groups which settled around the junction of the Monongahela, Allegheny and Ohio Rivers and built the mighty industrial city of Pittsburgh. Nationalities represented in the Cathedral are Swedish, Scottish, German, Russian, Chinese, Czechoslovakian, French, Roumanian, Hungarian, Italian, Lithuanian, Norwegian, Polish, Greek, Syria-Lebanon, Yugoslavian, Irish and English.

Construction of the Cathedral was begun under Chancellor John Gabbert Bowman, who held office from 1921 to 1945. Some of the groundwork which made possible the Cathedral and other advances during the Bowman administration must be attributed to his forward-looking predecessor, Dr. Samuel B. McCormick, who served as chancellor from 1904 to 1921.

Great strides were made during the administration of Chancellor Bowman, and spectacular progress under R. H. Fitzgerald who became Chancellor in 1945.

Upon the retirement of Dr. Fitzgerald in 1955, Dr. Edward H. Litchfield, Dean of the Graduate School of Business and Public Administration at Cornell University, was named to succeed him. The University has now embarked on a new development program to cost over \$100,000,000 during the next 10 years.

The modern University of Pittsburgh Memorial Field House, built at a cost of \$1,300,000, was dedicated in 1951.

In 1953, the Medical Center Nurses' Residence was completed at a cost to the University of \$4,500,000.

Recently completed is an engineering building (\$1,500,000); George Hubbard Clapp Hall for science research and teaching (\$2,500,000); a building to house the Schools of the Health Profession (\$15,000,000); the Graduate School of Public Health, costing \$5,000,000, will be completed this year.

The great progress made toward the establishment of the great Medical Center at the University has been highlighted by the development by Dr. Jonas Salk of the Pitt Medical School of the vaccine that is expected to eliminate polio.

In addition the University has acquired the Schenley Park Hotel and Apartments which has been developed into a comprehensive student living and activities center.

Other new buildings which should be completed in the near future are the Library (\$10,000,000), the Natural Science Building (\$2,400,000), a new dormitory (\$13,500,000) and a pool (\$1,600,000) which should be the best in the country.

PREVIEW

Pitt lost thirteen lettermen from last year's team including the starting quarterback, center, two tackles, and a regular guard who missed the last three games. The Panthers ended the 1959 campaign with a 6-4 record and although eighteen monogram winners are returning, the Blue and Gold will be fortunate to break even with a schedule, which, as usual, is one of the toughest in the country.

Coach John Michelosen's biggest problems will be finding replacements at the tackles, center and quarterback. Michelosen also must develop capable second-stringers at fullback and right halfback.

In the line, Michelosen will have to replace co-captains Ken Montanari and Bill Lindner, starting tackles for the last two years, center Serafino Fazio, who led the 1959 team in playing time, and guard Norton Seaman, who was a regular until an injury sidelined him for the last three games. Seaman also did most of the kicking-off and extra points for the last two years. His extra points were the difference in the Penn State (1957) and Notre Dame (1958) games during his varsity career. Bob Rathi, a strong defensive end, Ernie Westwood, a second-string tackle, and Bob Longfellow, a reserve guard, are other major losses.

The biggest loss in the backfield was quarterback Ivan Tonic, who holds the school record for most touchdown passes in one game (4), in one season (8) and in his varsity career (17). The daring field general was the regular quarterback for the last two years and although he slumped during the middle part of the 1959 campaign, his all-around brilliance in the last three games, especially against Notre Dame and Penn State, was a big reason the Panthers had a winning season.

Other backfield losses include Fred Riddle, a dependable fullback for three years, Andy Sepsi, a good spot player, Joe Scisly and Curt Plowman, two dependable right halfbacks, and Peter Prince, a reserve quarterback.

The Panthers will employ the same offense as they have the last two years although Michelosen might stress passing a little more. Pitt uses the

"Wing-T" with an open end. Michelosen started to use this offense in 1958, his fourth year as head coach at his Alma Mater.

Michelosen's overall record in five seasons is 29-21-2 and nine of these defeats were to teams which finished in the Top Ten. Two of these nine losses were to teams which were rated number one in the country by the Football Writers of America and two other ones were in bowl games.

On the bright side of the ledger, Pitt should be strong at the ends, guards and left halfback.

Four lettermen return at end, three at guard and three at left halfback.

At the end of spring practice, the first backfield had Dave Kraus at quarterback, Bob Clemens at left halfback, Fred Cox at right halfback and Jim Cunningham at fullback.

It was the combination of the "C" boys, Clemens, Cox and Cunningham, who sparked the Panthers in the last three games. Against Boston College, Notre Dame and Penn State, this trio gained 744 yards rushing, and scored nine touchdowns. This doesn't include Clemens' 64-yard punt return against Notre Dame. The "C" boys gained a total of 911 yards for season or 51% of Pitt's total yardage on the ground.

Although Cox saw action all season long, injuries hampered Cunningham and Clemens during various stages of the year.

Kraus, a junior, developed rapidly at the end of the season and even started against Boston College. Although not a strong passer, the Wheeling product is heady field general and should have a good year.

Ed Sharockman, a letterman at quarterback in 1958, was not in school last fall. However, the swift-running signal-caller returned last January and although not out for spring practice, he will be a candidate this fall.

There is little doubt that he will be seeing a lot of action in the next two years. Although a good runner, like Kraus, Sharockman's passing is a question mark. Unless the passing improves, this could hurt the Panthers this fall.

Besides Kraus and Sharockman, other quarterback candidates are sophomores Dick Sanker,

Dennis Chillinsky, Ed Clark, Jerry Straub and Jim Traficant.

Lettermen Chuck Reinhold, a speedster, and Ray Tarasi give Michelosen experience at left half. Other players to watch at this position are John Chisdak, a transfer student from USC, and Marvin Lippincott, a strong runner who could develop into a topflight back before he is graduated.

Mike Frasca, a junior, and Lou Slaby, a sophomore, will be Cunningham's replacements at full. Frasca is a strong runner and Slaby is strong defensively.

John Yaccino, a letter winner, and sophomores Ed Billy and Carmen Ronca are all capable substitutes for Cox at right half.

Captain Mike Ditka, a true All-American candidate, Ron Delfine, a regular last year, Steve Jastrzembski, the hero of the UCLA game, and Dave Walker, form one of the best corps in the country. Other wingmen include Woody Haser, who missed most of the 1959 season because of an injury, John Kuprok, a junior, Joe Latvis, an outstanding performer in the spring game, Bob Long, an All-state selection, and Jon Botula, a converted fullback.

Dick Mills, one of the best tackles in the country, is the only returning letterman at this position. Bob Guzik, a monogram winner at guard, was moved to tackle in spring practice. Bob Budavich, who was running on the first unit during spring drills, has improved tremendously. Elmer Merkovsky, a junior, and Ed Fornadel, and Charles Marranca, both seniors all could see a lot of action this fall. The best sophomore prospects are Gary Kaltenbach, Charles Adonizio, Ernest Borghetti and Bob Jamison.

Larry Vignali, one of the best guards to arrive at Pitt in many years, and Regis Coustillac should be the starters at this position for the next two years.

Paul Hodge, a letter winner, junior Dennis Dvorchak, and sophomores John Draksler, Ron Ralph Conrad, Ed Adamchik, a converted tackle,

and Tom Brown, a converted end, all could develop into capable guards this fall.

Andy Kuzneski, a junior and letter winner, was the first-string center in spring practice. He is the only letterman at this position. Dick Matyus, a junior, sophomores John Maczuzak, an end on the freshman team, John Holzbach, John Hunter and Bob Ostrosky all showed promise in spring drills.

Pitt's kicking game should be strong with Ditka, Cox and Clemens doing most of the punting. Cox will do most of the extra points, field goals and kickoffs.

As mentioned, the passing attack is a question mark but the running attack looks strong. Although not a fast backfield, the Panthers will have more speed than they did last year.

The linebacking is another question mark since Kuzneski and Coustillac, who did start the last three games, will be replacing Fazio and Seaman respectively in this department.

The general overall team speed is better than last year. The Panthers should be stronger going into the 1960 campaign than they were last September. More experience at quarterback, a better all-around backfield and tested players in the middle of the line are the three big reasons for this. However, a tougher schedule (UCLA, Michigan State, Oklahoma, Miami of Florida, West Virginia, TCU, Syracuse, Notre Dame, Army and Penn State) might prove to be too much and it's very doubtful if the Panthers can improve last year's record of 6-4.

The Blue and Gold will, as always, be a well-conditioned, hard-hitting team, both on offense and defense. Nevertheless, there are just too many question marks and if Pitt happens to win more than five games, Michelosen has done a remarkable job.

The Spartans will be one of the early-season favorites to win the Big Ten because of last year's strong finish.

 Coach: Bud Wilkinson (Minnesota) -- 14th
 season 121-13-3 record
 System: Split with variations

This is the fifth meeting between these two schools and Pitt hasn't won yet.

Oklahoma won the Big Eight last year but wasn't eligible to go to the Orange Bowl.

The Sooners finished the 1959 campaign with a 7-3 record but won their last four games. One defeat was to Texas, 19-12.

Coach Bud Wilkinson has 19 lettermen returning including such stars as tackle Tom Cox, guard Karl Milstead and fullback Ronnie Hartline. Fifteen monogram winners are gone from the 1959 squad.

Top sophomore prospects are guards Duane Cook and H. O. Estes and center Wayne Lee.

Oklahoma should have its usual tough line. In fact, Wilkinson plans to alternate two forward walls. Wilkinson's biggest problems will be finding replacements for the halfback slots and developing overall backfield depth. However, as usual, the Sooners undoubtedly will be one of the country's best.

WEST VIRGINIA - October 15

(Homecoming)

Location: Morgantown
Stadium: Mountaineer Field (34,800)
Coach: Gene Corum (West Virginia) -- 1st
season
System: Split-T

Pitt will be meeting West Virginia for the 53rd time. The Panthers lead in the series, 38-13, with one game ending in a tie. However, the rugged Mountaineers have won two of the last three games including a 23-15 win last year which eventually cost the Panthers a bowl.

West Virginia finished the 1959 campaign with a 3-7 record but lost to Syracuse, the National Champion, Penn State, Liberty Winner, and USC.

Coach Gene Corum, who was an assistant under Art Lewis, will be guiding the Mountaineers for the first time. He will have seventeen lettermen on hand including Danny Williams, the hero of the big win over Pitt, tackle Glenn Bowman and halfback John Marra. Nine letter winners are gone.

Top sophomore prospects are end Ken Herock, guard Bob Fuller and halfback Jim Moss. This year's sophomore crop is considered the best since 1955.

West Virginia could be the most improved team on Pitt's 1960 schedule. The Mountaineers could pull a few surprises this fall and naturally will be fired up for the Panthers.

Kickoff 2:00 C. S. T.

Location: Fort Worth
Stadium: Amon Carter (46,000)
Coach: Abe Martin (TCU) -- 8th season
45-27-2 record
System: T-Formation

This is the second meeting between these two teams. No future games are scheduled at this time. Last year, TCU won, 13-3.

TCU won the Southwest Conference in 1958 and tied with Arkansas and Texas last year. The Frogs had an 8-3 record including defeats to Clemson in the first Bluebonnet Bowl, LSU and Arkansas. Frogs won seven straight before losing in the Bluebonnet Bowl.

Coach Abe Martin has 18 lettermen returning including tackle Robert Lilly, described by Martin as the best lineman he has coached, center Arvie Martin, quarterback Don George and halfback Larry Dawson.

Top sophomore prospects are quarterback Guy Gibbs, end Lynn Morrison and guard Bernard Bartek.

TCU looks for another top-notch team with improved passing to go along with a top-running game. Biggest problems will be linebacking and defensive secondary.

1959 Scoring

First Quarter

Toncic returns Spikes' kickoff from the 13 to the 19. On first down, Reinhold gains two. Reinhold then takes a pitchout and circles the right end for 55 yards to put the ball on the TCU 24. Three plays gain one yard. Seaman then boots field goal from the 30.

SYRACUSE - October 29

Coach: Floyd (Ben) Schwartzwalder (W.Va.)--
12th season 65-34-2 record

System: "T" formation with unbalanced line,
left or right, with flankers

Pitt and Syracuse will be meeting for the sixteenth time. The Panthers lead in the series, 8-5-2, but have lost the last three games. When the Orange licked Pitt, 35-0, last year, it was the worst defeat for a Michelosen team in his five years as head coach and the most lopsided defeat for a Panther team since 1954.

The Orangemen finished with a 11-0 record including a well-earned 23-14 win over Texas in the Cotton Bowl. Syracuse, the number one team in 1959, had just one close game last year, 20-18, against Penn State. Syracuse also handed UCLA a 36-8 defeat, two weeks after the Bruins had upset undefeated USC.

Twenty-three letter winners return including halfback Ernie Davis, a sure All-American, fullback Art Baker, who has played a havoc with Pitt the last two years, All-American end Fred Mautino, guard Bruce Tarbox, center Al Bemiller and quarterback Dave Sarette. Eighteen monogram winners won't return. There is no doubt that Syracuse will have another great team and could go undefeated for the second straight year.

Top sophomore prospects are end Wald Sweeney, who might start, halfback Jon Mackey and guard John Charette.

1959 Scoring

First Quarter

Syracuse scores the first time it has the ball. Drive starts on the Pitt 37.

Two running plays lose one yard and on the

third down, Sarette hits Skonieczski with aerial on the 8. On fourth down, Schwedes dives over right guard for the score.

Syracuse 7 Pitt 0

Second Quarter

Syracuse starts drive on its 38 and goes 62 yards in eight plays for score.

Davis starts march with end run for 14 yards in eight plays for score. Syracuse keeps on ground all the way. Davis goes for 25 yards for the touch-down.

Syracuse 14 Pitt 0

Third Quarter

Syracuse drives 76 yards in seven plays for third score. Again the Orange stick to the ground. Biggest gainers are 13 and 17-yard runs by Schwedes. Sarette flips shovel pass to Davis who laterals to Baker who runs for score. Play covers 23 yards.

Syracuse 21 Pitt 0

Fourth Quarter

Syracuse drives 70 yards in ten plays for fourth touchdown. Biggest gainers are 24-yard run by Easterly and a screen pass from Easterly to Fallon for 25 yards. Weber dives over right tackle for one yard and the score.

Syracuse 28 Pitt 0

Rackiewicz intercepts Kraus' pass for Jastrzembski and one yard in the end zone and races 101 yards for a touchdown.

ATHLETIC DIRECTOR FRANK CARVER

Frank Carver, 51, was named Athletic Director of the University of Pittsburgh on December 1, 1959.

The Beaver resident began his association with the University when he enrolled as a freshman in 1927. He was graduated in 1931, after having worked his last two undergraduate years in the position of student assistant in the sports publicity office.

He began as full-time sports publicity director in 1931, and devoted part of his time during the 1930's to work in the University News Service.

In December of 1941, a few days before Pearl Harbor, Carver took over as head of the physical education and the intramural program at the University, and later doubled as an instructor in physical education.

Early in 1943, when the Air Force began to send air cadets to Pitt, Carver was placed in charge of their physical education training program. That same year Carver himself entered the service as a member of the Air Transport Command.

After being discharged from the service at the end of 1945, he returned to the athletic department and also served in the office of the dean of men.

When Athletic Director James Hagan left the University in June of 1948, Carver was appointed acting director of athletics and served in that position until Captain Tom Hamilton arrived in February of 1949.

Carver was appointed graduate manager of athletics in 1949.

When Hamilton resigned in the summer of 1959, Carver again was appointed acting athletic director. Although he never wanted the job, it finally caught up with him a few months later.

JOHN P. MICHELOSEN, Head Coach

John Michelosen, 44, who took over the head job at Pitt after the 1954 season, came to Pitt from Ambridge High School, where he played under Moe Rubenstein, in 1934.

He moved into the varsity quarterback in 1935 as a sophomore and retained his job for three years, operating as the blocking back and field general on offense and as a linebacker on defense.

He captained the 1937 team, and in his three years on the varsity the Panthers lost only two games, were in four scoreless ties, and defeated Washington, 21-0, in the Rose Bowl on January 1, 1937.

He was an assistant backfield coach at his alma mater in 1938, and moved to Brooklyn in the National League as backfield coach to Jock Sutherland in 1940 and 1941.

He entered the Navy in 1942, serving at Iowa Pre-Flight under Bernie Bierman that year, then going with the Atlantic Fleet from 1943 until mid-1945. With the shooting over he was assigned to Corpus Christi, where he served as football coach along with Johnny Vaught. He returned to Pittsburgh as assistant coach of the Pittsburgh Steelers in 1946. When Sutherland died in 1948, Michelosen took over as the youngest head coach in the league.

He rejoined the Pitt staff under Red Dawson in 1952.

He is married and has three children, two boys and a girl.

In the first two seasons as head coach, Michelosen guided Pitt to two bowls and one Eastern championship. His five year record is 29-21-2. Nine of these defeats were to teams which finished in the Top Ten including two defeats in bowl games. Two teams were named number one by the Football Writers of America.

ASSISTANT COACHES

WALTER CUMMINS

Walter Cummins played his high school ball at Greensburg and entered the University in 1942, playing on the freshman team that year.

Before he had a chance to move on to the varsity, he entered the service and served in the Army for three years before returning to the University.

He was a regular for three years, playing end under Wes Fesler in 1946, and then was an end and defensive center for Mike Milligan in 1947 and 1948.

He worked for his Masters degree in 1950-51, and then joined the staff as assistant freshman coach and assistant to the Director of Athletics in 1952.

He helps with the freshman team.

He is married and has one daughter.

VICTOR FUSIA

Pitt's backfield coach Vic Fusia, is a Western Pennsylvanian, who came back to Pittsburgh via Brown University.

Fusia played under Elmer Carroll at Wilkesburg High School, in 1930, 1931 and 1932, entered Manhattan College in the fall of 1934, and played quarterback under Chick Meehan in 1935, 1936, and 1937.

In his senior year he won All-Eastern and All-American recognition, played with the Eastern All-Stars, and was a member of the American team which toured France, a team on which his present boss was a team mate.

He was also on the boxing, basketball and track squads at Manhattan.

After graduation Fusia coached St. Barnards School in New York, then went into the Navy, where he served four years coming out as a Lieutenant.

He returned to Western Pennsylvania to coach at Rankin High School, where his teams lost only one league game in two years.

From Rankin he went to Indiana High School, and his 1950 team there was undefeated.

Al Kelley took Fusia with him when he went to Brown in 1951. Fusia was offensive and defensive backfield coach. He came to Pitt in 1955.

He is married and has one son and one daughter.

STEVE PETRO

Steve Petro came to Pitt from Johnstown High School, and played three years as a regular guard from 1936 through 1938.

A volunteer helper during spring drills in 1950, when Len Casanova took over as head coach, he was made Junior Varsity Coach that fall, and then served as assistant line coach with the varsity in 1951.

After graduation he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corp. He entered the service in 1942, serving first with the Air Forces and then in Intelligence.

Upon his return he went back to the steel industry and stayed out of football until the spring of 1950 when he decided to get his certification in teaching.

He was freshman coach from 1954-1957 and handled the guards in the spring drills. He moved to the varsity staff in 1958.

He is married and has four daughters and one boy.

ROBERT TIMMONS

End and Defensive Coach Bob Timmons is serving his fourteenth year on the Pitt coaching staff. A native of Pittsburgh, he started at Allegheny High School, moved on to Pitt for a year of freshman ball under Dr. Skip Gougler, then spent three years under Jock Sutherland, pairing with Joe Skladany at the ends in 1933.

In April of 1953 he was named to succeed Dr. H. C. Carlson as varsity basketball coach.

He graduated from Pitt in June 1934 and received his Masters degree in 1938.

In 1934 and 1935 he coached high school football and basketball at Smithfield, Ohio, and in 1936 moved to New Brighton High School as football and basketball coach.

In 1939 he was named head coach at Indiana State Teachers and won 5 and lost 3. The following season he won 7 and tied 1, winning the State Teachers College championship.

He entered the Navy in 1943, and that fall played at Iowa Pre-Flight under Don Faurot.

He served in the Pacific in 1944 and 1945 as Aviation Engineering Officer on an escort carrier and also had shore based tours with a squadron, finishing as a Lieutenant.

He returned to Indiana State after leaving the service. His complete record there was 27 wins against 12 losses.

JACK WILEY

Line Coach Jack Wiley was for four years head coach at Waynesburg College until moving to Pitt in 1955.

Wiley, one of Waynesburg's greats, was a protege of the late Frank Wolf at the Greene County College from 1937 through 1941, and had five remarkable years as pro football's lightest tackle under Jock Sutherland and Michelosen with the Pittsburgh Steelers. He weighed only 205 pounds.

In between these two periods were four years in the Army as Infantry officer, with the 28th Infantry Division, enlisting as a private and coming out a captain.

Wiley played his high school football at Richill Twp.

He took over the head coaching job at Waynesburg in 1951 and didn't have a losing season. He won six and lost three his first year, jumped it to seven wins against one loss in 1952, had four wins and three losses in 1953, and in 1954 lost two, won five, and tied one.

Among the nine games his teams lost in the four years were three to West Virginia and one to VPI, both major schools.

Football until 1955 was an avocation with him, as he operated his folks' farm near Waynesburg, and also an insurance business.

He is married and has two sons and one daughter.

LOUIS "BIMBO" CECCONI

Louis "Bimbo" Cecconi came to Pitt from Donora High School in 1946 to become one of the school's greatest players.

In his four years at Pitt he played both quarterback in the winged-T and left half in the single wing, both completely to the satisfaction of his two coaches, Wes Fesler and Mike Milligan.

Weighing less than 160 pounds and standing only five-nine, Cecconi became one of the smartest quarterbacks and most dangerous runners and

passers in Pitt history. From the moment that he took over the team in its opener in 1946 and passed and ran the Panthers to a halftime tie with Illinois' Rose Bowl champions in his first college game, he captured the imagination of the crowd and the respect of his teammates.

He specialized in coming up with the key play, a long punt return, an interception, a last second TD pass, the clutch run for big yardage when apparently trapped.

Despite his size he made his mark with the basketball team as well, being a letterman for four years.

Upon his graduation in 1950 he was assistant coach at Donora High School for one year, then entered service. He spent one of his two years with the Infantry in Germany, then came home to take the head coaching job at Sharpsburg.

Prior to Cecconi's arrival, Sharpsburg had won only ten games in seven years. He won six his first season, and his overall record was 27 wins against 12 losses, and 6 ties.

He was as successful in basketball, taking his team to the Class B playoffs in 1954 and 1958. He came to Pitt in the summer of 1958.

In 1956 he received his Masters Degree from Pitt; is married, and has five children, four girls and one boy.

CARL De PASQUA

Carl DePasqua was a great back for Pitt from 1946 through 1949, playing in two different systems, the T and the Single-Wing under Coaches Wes Fesler (1946) and Mike Milligan.

Coming to Pitt as an All-State selection, he was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning

teams as a junior and senior, all this while weighing 175 pounds.

He served in the Army during 1950 and 1951, playing for the Brooke Army Medical Center at Fort Sam Houston, this outfit going to the Cigar Bowl in 1951.

He returned to Pitt to work off credits for his masters degree in 1952, and was freshmen backfield coach during this period as a graduate assistant.

He went to Sarnia in the Ontario Rugby Union in 1955, as backfield coach, and then entered in business in Pittsburgh, rejoining the Pitt staff in the summer of 1958.

He is married and has one daughter.

A SHORT RESUME OF PITT FOOTBALL

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U. S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americans, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925,

1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americans during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-American rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, and Guard John Guzik in 1958.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panthers' national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6, in 1958, 5-4-1 and last year finished with a 6-4 record.

PITT HALL OF FAME AWARDEES

Thus far the University of Pittsburgh has had two players elected to the National Football Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938. He was elected in 1953 among the first coaches named.

In 1954 Bob Peck, Pitt's first All-American (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

JOCK SUTHERLAND

Dr. John Bain (Jock) Sutherland was a great player and coach at Pitt.

Entering Pitt within a few years after he left his native Scotland he was a regular guard on the great Pitt teams of 1914-1917, teams that lost but one game during the entire period.

Upon graduation, with a dental degree in 1918, he went into the service, coached the Camp Greenleaf Team with the AEF, then came back to the coaching job at Lafayette.

Four years later, in 1924, he replaced Pop Warner at Pitt, and after getting the foundation laid, put the Panthers back into the first line again.

There were national titles in 1927, 1929, and 1937; eastern honors in 1925, 1927, 1929, 1931, 1932, 1934, 1936, and 1937. Rose Bowl appearances in 1928, 1930 and 1933, climaxed with a win in 1937.

All-Americans were turned out with regularity during this period.

Leaving Pitt in 1939, he coached Brooklyn in 1940 and 1941, then went into the Navy. Upon his return he took over the Pittsburgh Steelers, giving them their greatest days, until his very sudden death in the spring of 1948.

BOB PECK

Bob Peck was Pitt's initial first team All-American, being selected by Walter Camp in 1915 and 1916. In both of these years Pitt was undefeated, and in his sophomore year, 1914, the Panthers lost only one game.

He was captain of the 1916 Pitt team that is rated among the greatest of all time, both at Pitt and in the nation.

Playing under Pop Warner, Pitt's coach during his last two years, he was a terrific roving center of the old variety, and an accurate passing center who could load the speedy Pitt backs on the famous single and double wing attack which Warner was then perfecting.

After his graduation he moved to Culver Military Academy where he was athletic director and head coach until his sudden death in 1934.

MARSHALL GOLDBERG

Marshall Goldberg came to Pitt from Elkins, West Virginia, and for the three years of his varsity career was the most highly publicized and popular back in Pitt history. These three years, coincidental with Jock Sutherland's last three as Pitt's head coach, saw the Panthers win a national title, a Rose Bowl game, and two eastern championships.

In two years as the regular left halfback Goldberg was the leading scorer and leading ground gainer, and then, moving to fullback with the famous Dream Backfield of 1938, he became a terrific blocker and power back, despite his relative lack of weight (185).

He was a defensive expert during his three years and starred at this phase when he went into pro ball.

On campus he was a member of Phi Epsilon Pi, national social fraternity, and O D K, national honorary leadership society.

Upon graduation he played pro ball and was in the insurance business in Chicago, served nearly four years as a line officer in the navy, and then finished his pro career with the Chicago Cardinals when they won their first title.

He is vice president of the Emmerman Machinery Company in Chicago.

PITT ALL-TIME RECORDS

Individual figures are compiled from official statistical records of each game from 1931 through 1958. Before 1931 they are taken from play by play accounts of game. Team records begin with the 1904 season. Naturally they cannot be 100 percent accurate, but they can stand until someone comes up with a better way.

THE UNIVERSITY OF PITTSBURGH

120 PIECE VARSITY MARCHING BAND

The University of Pittsburgh 120 piece Varsity Marching Band is composed of undergraduate men of the various schools of the University. Since the University has no School of Music, none who participate in the Band are preparing to become professional musicians but some day will be doctors, lawyers, engineers, dentists, teachers, etc. No member of the Band is compensated in any way for his efforts in its behalf, or for no scholarships of any kind. They work untiringly for the friendship, companionship, and enjoyment that comes from being a part of a great band.

Under Robert L. Arthur with the assistance of Dr. Jack B. Anderson and Ben E. Benack, the band has reached its present level of excellence that has become one of the outstanding collegiate bands in the nation. In its pre-game, half-time, and post-game shows, emphasis is placed upon precision stepping, motivated formations, swinging instruments, and all the shine and sparkle that can be reached at the modern cadence of 160 steps per minute.

The matched gold instruments, blue and gold uniforms with white cross belts, white spats and gloves combined, create an appearance of beauty and uniformity.

In addition to the 120 musicians who perform on the field, there are others who attend to a host of duties. A Graduate Staff of seven attend to administrative details while an undergraduate operations and library staff of ten handle all equipment and properties, music, and the loading and unloading on trips. With this help the Band moves with a minimum of confusion.

Prior to the beginning of the fall semester, these bandsmen, directors, librarians, drum majors and operations crew move into a camp forty

miles outside of Pittsburgh, just outside Zelienople, for ten days of intensive training. They spend fourteen hours a day drilling, learning formations, practicing music, and just plain working hard. The group of men who arrived at camp as individuals return to perform for the season as an integrated, disciplined marching band. With a two hour practice Tuesday and Thursday evenings, the band is prepared to present itself in a manner which is "worth watching".

Ladies and Gentlemen: Presenting the University of Pittsburgh 120 Piece Varsity Marching Band.

PITT BASKETBALL

Pitt's basketball team will play a twenty-four game schedule this winter. Fifteen games will be played at home and nine on the road.

Pitt will play Carnegie Tech, West Virginia, Penn State and Westminster twice.

The schedule includes two NCAA teams, Navy and West Virginia, and three NIT quintets, St. John's, Villanova and Temple. The Steel Bowl includes Colgate, Tennessee and Duquesne.

Coach Bob Timmons will be starting his eighth year as head coach. The Pitt alumnus has an 89-86 record including NCAA Tournament appearances in 1957 and 1958. Last year Pitt was 11-14 but played one of the roughest, if not the toughest, schedules in the East. The Panthers lost to Ohio State, NCAA champion, West Virginia twice, Navy, Villanova and NYU.
